

## **MACK YOUTH ART EDUCATION PROGRAM GOALS**

### **All students will develop a sense of belonging and understanding of the visual world and share in the value the arts provide to our community**

- Students will receive supportive opportunities to exchange ideas and find belonging in the arts
- Students will receive opportunities to help share their vision and talents in our community

### **All students will have access to high-quality artistic and cultural experiences**

- Students will receive in-class instruction that supports [standards-based](#) arts instruction to include; visual arts, music, dance, drama, creative writing, and media arts
- Students will receive opportunities to enjoy out-of-class experiences that highlight the arts, history, and humanities

### **All students will have opportunities to advance their individual skills and participation in the arts**

- Students will receive an introduction/review of the elements of art and design principles
- Students will receive hands-on learning experiences with the support of experienced educators and community members

### **All students will have educational experiences that integrate the arts into learning goals**

- Students will receive learning experiences from various standards-based needs such as science, literacy, social-emotional skills, leadership, math, history, and more.
- Students will receive support to advance their personal learning paths by following their unique strengths and interests including the arts

*Arts for all!*
